

# Let us Help You Grow Your Business

Are you ready to launch, or expand your company but uncertain about your next steps?

ENGINE-certified business advisors offer a wide range of services to help you build and grow your company. Our experienced business advisors have helped over 4000 micro, small, and medium-sized companies reach their business goals through tailored training, mentoring, and other value-added services. They will work with you to address your biggest business challenges, such as accessing new markets, promotion and branding, business planning, and much more.

Ask about ENGINE's eCoupon Initiative for a chance to receive a price discount of up to 40% on the following business development services: accounting, record keeping, financial management, business planning, access to finance, business formalization, marketing and promotion.

*"My business advisor taught me how to grow, certify, operate and market my business. Within six months, my soap production has increased from 20 to 200 liters a day. I attribute a large part of my company's success to the guidance and training I received."*

Lena, owner of RASO - a soap production company in the Mbeya region

Introducing an exciting new way for business owners to stay informed and grow their business network. **BizFundi** is an innovative, digital platform that allows YOU to quickly and easily connect with manufacturers, suppliers, business development providers and financial institutions in your area.

Visit [www.bizfundi.or.tz](http://www.bizfundi.or.tz), or download the "BizFundi" app to an Android smartphone from the Google Play Store.

*"[My advisor] helped me solve my [businesses'] challenges and now both my farming and dairy businesses are turning a profit. I have been so successful that I have told many others about these services and they too, are now working with him."*

James and Joasy, small business owners in Iringa

Feed the Future Tanzania Enabling Growth through Investment and Enterprise (ENGINE) program is a four-year USAID-funded program that supports entrepreneurs and small businesses in Mbeya, Morogoro, Iringa and Zanzibar by linking them to business advisors and trainers to help businesses improve operations.

USAID is the lead U.S. Government agency working to end extreme global poverty and enable resilient, democratic societies to realize their potential.
